10.8 Clean exterior and interior glass windows of Main Entrance (Southeast side) of Bldg 2320 during the months of November, February, May and August.

10.9 Clean exterior and interior glass windows of facilities to be identified on a one-time basis as required. Any additional cleanings will be covered in line item X002, Over and Above.

11. ENVIRONMENTAL REQUIREMENTS:

11.1 Compliance with Laws: The contractor shall comply and ensure all subcontractors comply with all applicable federal, state, and local laws, regulations, ordinances and standards related to environmental matters. The contractor shall also comply and ensure all subcontractors comply with all specific instructions or directions given to the contractor by Sheppard AFB regarding environmental matters.

11.2 Hazardous Waste Encountered by the Contractor: The contractor shall notify the contracting officer upon encountering any material not identified in the contract documents thought to be hazardous that could jeopardize the safety of workers or personnel in the area. The government will be responsible for characterization, transportation, storage and disposal of the waste if necessary.

11.5 Nuisance and Polluting Activity Prohibited: Polluting, dumping or discharging of any harmful, nuisance, or regulated materials (such as vehicle maintenance fluids, Solid Waste and Hazardous Substances) into building drains, site drains, streams, waterways, holding ponds or to the ground surface shall not be permitted and the contractor shall be held responsible for any and all damages which may result. Further, the contractor shall conduct its activities in such a fashion which avoids creating any legal nuisance, including but not limited to, suppression of noise and dust, control of erosion, and implementation of other measures as necessary to minimize off-site impacts of work activities.

12. The contractor shall coordinate all work in the airfield area with Base Operations (676-2180), Bldg 1360, prior to any work in the airfield area. The contractor shall obtain a Government furnished hand held radio from Base Operations prior to proceeding in the airfield area to maintain radio contact with the Control Tower during work in the airfield area. The radio shall be returned to Base Operations upon completion of work in the airfield area.
